The Port Authority of the Cayman Islands is requesting bids from local marine companies with dealership licenses for the replacement of the following equipment on its two 27ft Boston Whaler patrol boats:

- 1) Twin outboard 225hp motors
- 2) 8 Kw diesel marine generators inclusive of cooling system
- 3) 24,000 BTU marine air conditioners for the cabins

Bids must include:

- A detailed price of each item above inclusive of gauges, wiring, installation and testing to ensure it is performing as it should be prior to returning the vessel to service.
- Brand name, specs and any reliability performance tests available for the products offered in the bid.
- Details of warranties offered on the products.
- Details of ability to service the products by qualified technicians.
- Details of any preferred customer service rate offered for servicing and maintenance of the motors, generators, air-conditions and vessels in general. The Port Authority's policy, (subject to change,) has been to service the vessels after every 100 hours of operation.

All tenders must be hand delivered by the bidder to the Customer Service Desk, upstairs the Port administration Building on Harbour Drive, or alternately, emailed to tenders@caymanport.com not later than **12 noon on Wednesday June 17th, 2015**. Tenders received after the deadline date and time will not be considered.
